

Beautiful, maintenance-free landscaping starts with landscape rock from James Valley Garden Center. We carry several varieties and sizes of decorative bulk rock. You can haul and install it yourself or we offer delivery and installation. You'll even find a bulk cost estimator on our website homepage at **JamesValleyLandscape.com**. Delivery and installation costs are extra.

Design Ideas

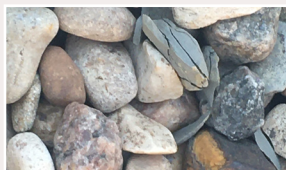

Whether you are starting from scratch, renovating an existing yard or simply looking for an upgrade, the landscape professionals at James Valley Landscape Solutions can help you design a plan to fit your budget and your needs. You can schedule an appointment with one of our design pros year-round.
